- ❖ Yellow is the **DONATE** color. You will still receive the money for any items you sell that were tagged for "donation", but all yellow-tagged items left over after the sale will automatically be donated to charity.

## Preparing Your Tags:

- ❖ Fill in every space on each tag: seller number, price, description...
- ❖ For "gender neutral" clothing items, you must circle EITHER boy or girl. Do not circle both.
- ❖ For non-clothing items (toys, furniture, etc...) you do NOT need to circle a gender.
- ❖ Write a good description of your item on the "article" line to guard against theft or loss.
- ❖ Attach tags to clothing using SAFETY PINS in upper right corner.
- ❖ **Absolutely no straight pins, double-sided tape, or staples!**
- ❖ Safety pin must go through the tag **two** times. (Please watch the video you received in the email with your seller packet for an example of exactly how tags must be pinned.)
- ❖ To change the price of an item, you MUST make a new tag. Do NOT write over a previous price. For your own protection, we will not sell items with "written over" prices on the tags.

## Clothing:

- ❖ To "bundle" onesies or bibs, they must be pinned together at shoulders, so all layers may be inspected. **Onesies or bibs in bags will be rejected.**
- ❖ Outfits with more than one piece must be safety pinned together so all pieces can be seen. (Pin waist of bottoms to shoulders of tops.)
- ❖ Pants and skirts can be folded for the tables or on "pinch style" hangers only. We do not accept items that are attached to hangers by safety pins.
- ❖ **ONLY Junior sizes may be labeled Small, Medium, Large, etc...**
- ❖ Children's clothing sizes MUST be a number (12 months, 2T, 7, etc...)

**If your child-size clothing brand tag uses S, M, L, etc... You MUST use the following chart to write a number size equivalent on your TGTBT tag:**

XS	S	M	L	XL
4	5/6	6/8	10/12	14

## Shoes:

- ❖ We accept all shoe sizes and styles from infant - teen at both sales.
- ❖ BOTH shoes must fit inside ONE bag. We will not accept single shoes in bags that are pinned together.
- ❖ Shoe bags must zip closed **with the tag masking taped on the inside**. This is to protect the security of your items. (WalMart sells large ziplock bags that work great for larger shoes/boots.)

## Toys:

- ❖ Use ONLY masking tape to secure tags directly to toys at two corners only (where it says "pin here" and diagonal corner). Tape must not cover all edges of the tag.
- ❖ Toys, games, & puzzles that are in plastic bags must have the tag masking taped to the **INSIDE** of the bag.
- ❖ Puzzles not in the original box must have a picture of the finished puzzle included.
- ❖ Games and boxed puzzles need to be taped securely shut.
- ❖ Groups of toys that need to be packaged together (Duplo sets, Geotrax, etc.) **must be in a see-through** bag or tote. We will not accept items in boxes or totes that are not see-through.
